Thursday, August 26th, 3-9pm

Gates will open at 1pm to park your car

Wheelchair Drag Races - 7pm

For the first time in the country, wheelchairs will test their speed on the drag strip. Come see some of the areas top athletes set new national records over a 100' track. Classes will include manual and motorized chairs, youth, adult, men and women.

Run Your Car Down the Track

Have you always wanted to see how fast your car could run the quarter mile? Well today you can. Participants must make the car show donation. Runs down the track then require an additional \$5 per run donation. Pass a simple track safety inspection and you are on your way. Track closes at 6:30pm for a special demonstration.
